*St. Lawrence Catholic Campus Center*

Stations of the Cross on Campus is an annual event that takes place on Good Friday (which falls on April 3rd this year). KU students will act out the 14 stations of the cross beginning at Spooner Hall and ending at Stauffer-Flint lawn. The crowd (of 50-100 people) will remain clear of the sidewalks at each station (i.e. approximately 3 min stops) along the way. The actors will travel single-file down the sidewalk, allowing space for others to pass by. Once the group reaches Stauffer-Flint lawn, the final scenes of the Stations of the Cross will take about 20 minutes. The crowd will remain on the lawn in order to keep the sidewalk open for people to pass by. We will not use any sound equipment. The event is free and open to the public.
